

IN THE COURT OF APPEALS OF TENNESSEE
AT NASHVILLE

KENNETH L. JAKES v. SUMNER COUNTY BOARD OF EDUCATION

**Chancery Court for Sumner County
No. 2014CV53**

No. M2015-02471-COA-R3-CV

ORDER

This is an appeal from a judgment requiring the Sumner County Board of Education to adopt a new public records policy by March 1, 2016. The trial court denied the Board's motion to stay the judgment pending the Board's appeal. The Board has thus filed a Tenn. R. App. P. 7 Emergency Motion for Review of Stay order asking this court to stay enforcement of the judgment pending appeal. Having considered both the Board's motion and the response filed Kenneth L. Jakes, we find no grounds to reverse the trial court's decision regarding the stay.

It is, therefore, ordered that the Board's Emergency Motion for Review of Stay Order be denied.
