

Public Records Policy

Pursuant to Tenn. Code Ann. § 10-7-503(g), the following Public Records Policy for the City of Bartlett is hereby adopted by the City of Bartlett to provide economical and efficient access to public records as provided under the Tennessee Public Records Act (“TPRA”) in Tenn. Code Ann. § 10-7-501, et seq.

The TPRA provides that all state, county and municipal records shall, at all times during business hours, which for public hospitals shall be during the business hours of their administrative offices, be open for personal inspection by any citizen of this state, and those in charge of the records shall not refuse such right of inspection to any citizen, unless otherwise provided by state law. See Tenn. Code Ann. § 10-7-503(a)(2)(A). Accordingly, the public records of the City of Bartlett are presumed to be open for inspection unless otherwise provided by law.

Personnel of the City of Bartlett shall timely and efficiently provide access and assistance to persons requesting to view or receive copies of public records. No provisions of this Policy shall be used to hinder access to open public records. However, the integrity and organization of public records, as well as the efficient and safe operation of the City of Bartlett, shall be protected as provided by current law. Concerns about this Policy should be addressed to the Public Records Request Coordinator for the City of Bartlett or to the Tennessee Office of Open Records Counsel (“OORC”).

This Policy is available for inspection and duplication in the office of the City Clerk. This Policy is posted online at www.cityofbartlett.org. This Policy shall be reviewed periodically as needed.

This Policy shall be applied consistently throughout the various offices, departments, and/or divisions of the City of Bartlett.

- b. If the records requested are described with sufficient specificity to identify them;
and
- c. If the City of Bartlett is the custodian of the records.

2. The PRRC shall acknowledge receipt of the request and take any of the following appropriate action(s):

- a. Advise the requestor of this Policy and the elections made regarding:
 - i. Proof of Tennessee citizenship;
 - ii. Form required for copies;
 - iii. Fees (and labor threshold and waivers, if applicable); and

- b. If appropriate, deny the request in writing, providing the appropriate ground such as one of the following:

- iv. The City of Bartlett is not the custodian of the requested records.
- v. The records do not exist.

c. If appropriate, contact the requestor to see if the request can be narrowed.

d. Forward the records request to the records custodian in the appropriate City of Bartlett Department.

e. If requested records are in the custody of a different governmental entity, and the PRRC knows the correct governmental entity, advise the requestor of the correct governmental entity and PRRC for that entity if known.

If the records custodian is uncertain that an applicable exemption applies, the custodian may consult with the PRRC, counsel, or OORC.

2. If not practicable to promptly provide requested records because additional time is necessary to determine whether the requested records exist; to search for, retrieve, or otherwise gain access to records; to determine whether the records are open; to redact records; or for other similar reasons, then the public record request coordinator shall, within seven (7) business days from the records custodian's

receipt of the request, send the requestor a completed Public Records Request Response Form which is attached as Form A, based on the form developed by the OORC.

3. If the public record request coordinator denies a public record request, he or she shall deny the request in writing as provided in Section III.A.2.b. using the Public Records Request Response Form.

4. If a records custodian reasonably determines production of records should be segmented because the records request is for a large volume of records, or additional time is necessary to prepare the records for access, the records custodian shall use the Public Records Request Response Form to notify the requestor that production of the records will be in segments and that a records production schedule will be provided as expeditiously as practicable. If appropriate, the records custodian should contact the requestor to see if the request can be narrowed.

5. If a records custodian or PRRC discovers records responsive to a records request were omitted, the records custodian or PRRC should contact the requestor concerning the omission and produce the records as quickly as practicable.

C. Redaction

1. If a record contains confidential information or information that is not open for public inspection, the records custodian shall prepare a redacted copy prior to providing access. If questions arise concerning redaction, the records custodian should coordinate with the PRRC or other appropriate parties regarding review and redaction of records. The records custodian and the PRRC may also consult with the OORC.

2. Whenever a redacted record is provided, the PRRC should provide the requestor with the basis for redaction. The basis given for redaction shall be general in nature and not disclose confidential information.

IV. Inspection of Records

A. There shall be no charge for inspection of open public records.

B. The location for inspection of records within the offices of the City of Bartlett should be determined by either the PRRC or the records custodian.

C. Under reasonable circumstances, the PRRC or a records custodian may require an appointment for inspection or may require inspection of records at an alternate location.

D. If a person makes two (2) or more requests to view a public record within a six-month period and, for each request, the person fails to view the public record within fifteen (15) days of receiving notification that the record is available to view, the City of Bartlett is not required to comply with any public records request from the person for a period of six (6) months from the date of the second request to view the public record unless the City of Bartlett determines failure to view the public records was for good cause.

V. Copies of Records

A. A records custodian shall promptly respond to a public record request for copies in the most economic and efficient manner practicable.

B. Copies will be available for pickup at a location specified by the records custodian or PRRC.

C. Upon payment for postage, copies will be delivered to the requestor's address by the United States Postal Service, UPS, or FedEx, if specified in writing by the requestor on the initial records request. Such requests must be paid in full in cash or business check in advance of the copies being sent.

D. A requestor will not be allowed to make copies of records with personal equipment.

E. If a person makes a request for copies of a public record and, after copies have been produced, the person fails to pay the City of Bartlett the cost for producing such copies, the City of Bartlett is not required to comply with any public records request from the person until the person pays for such copies; provided, that the person was provided with an estimated cost for producing the copies in accordance with section VI(B) prior to producing the copies and the person agreed to pay the estimated cost for such copies.

VI. Fees and Charges and Procedures for Billing and Payment

A. Fees and charges for copies of public records should not be used to hinder access to public records. No charges will be assessed for copies and duplicates unless the request contains 20 or more pages or requires more than one hour of labor.

¹ If all requested records do not have the same response, so indicate.

B. Records custodians shall provide requestors with an itemized estimate of the charges in writing prior to producing copies of records and may require pre-payment of such charges before producing requested records.

C. When fees for copies and labor do not exceed \$3.00, the fees may be waived. Fees associated with aggregated records requests will not be waived.

D. Fees and charges for copies are as follows:

1. \$0.15 per page for letter- and legal-size black and white copies.

3. Copies of records stored on any other medium (e.g. DVD, CD, maps, plats) shall be duplicated at actual costs to the city.
4. Labor when time exceeds one hour.
5. If an outside vendor is used, the actual costs assessed by the vendor.

E. Payment is to be made in cash or business check payable to the City of Bartlett and presented to the records custodian or PRRC.

F. Payment in advance will be required when costs are estimated to exceed \$50.00.

G. Aggregation of Frequent and Multiple Requests

1. The City of Bartlett will aggregate record requests in accordance with the Frequent and Multiple Request Policy promulgated by the OORC when more than four requests are received within a calendar month (either from a single individual or a group of individuals deemed working in concert).

2. If aggregating:

- a. The level at which records requests will be aggregated is the City of Bartlett.

¹ If all requested records do not have the same response, so indicate.

b. The PRRC is responsible for making the determination that a group of individuals are working in concert. The PRRC must inform the individuals that they have been deemed to be working in concert and that they have the right to appeal the decision to the OORC.

c. Routinely released and readily accessible records excluded from aggregation include, but are not limited to: ordinances, resolutions, specifically-identified meeting minutes, and city charter.
