

**PUBLIC RECORDS POLICY  
OFFICE OF THE MAYOR  
HAYWOOD COUNTY, TENNESSEE**

Pursuant to Tenn. Code Ann. §10-7-5-3(g), the following Public Records Policy for Haywood County is hereby adopted by the Haywood County Commission to provide economical and efficient access to public records as provided under the Tennessee Public Records Act ("TPRA") in Tenn. Code Ann. § 10-7-501, et seq.

The TPRA provides that all state, county and municipal records shall, at all times during business hours, which for public hospitals shall be during the business hours of their administrative offices, be open for personal inspection by any citizen of this state, and those in charge of the records shall not refuse such right of inspection to any citizen, unless otherwise provided by state law. See Tenn. Code Ann. § 10-7-503(a)(2)(a). Accordingly, the public records of the Haywood County Mayor's Office are presumed to be open for inspection unless otherwise provided by law.

Personnel of the Haywood County Mayor's Office shall timely and efficiently provide access and assistance to persons requesting to view or receive copies of public records. No provisions of this Policy shall be used to hinder access to open public records. However, the integrity and organization of public records, as well as the efficient and safe operation of the Haywood County Mayor's Office, shall be protected as provided by current law. Concerns about this Policy should be addressed to the Public Records Request Coordinators for the Haywood County Mayor's Office or to the Tennessee Office of Open Records Counsel ("OORC").

This Policy is available for inspection in the office of the Haywood County Mayor.

2. If not practicable to promptly provide requested records because additional time is necessary to determine whether the requested records exist: to search for, retrieve, or otherwise gain access to records; to determine whether the records are open; to redact records; or for other similar reasons, then a records custodian shall, within seven (7) business days from the records custodian's receipt of the request, send the requestor a completed Public Record Request Response Form which is attached as Form B, based on the form developed by the OORC.

provided in Section III.A.2.b using the Public Records Request Response Form (attached as Form B).

4. If a records custodian reasonably determines production of records should be segmented because the records request is for a large volume of records, or additional time is necessary to prepare the records for access, the records custodian shall use the Public Records Request Response Form (Form B) to notify the requestor that production of the records will be in segments and that a records production schedule will be provided as expeditiously as practicable. If appropriate, the records custodian should contact the requestor to see if the request can be narrowed.

5. If a records custodian discovers records responsive to a records request were omitted, the records custodian should contact the requestor concerning the omission and produce the records as quickly as practicable.

#### C. Redaction

1. If a record contains confidential information or information that is not open for public inspection, the records custodian shall prepare a redacted copy prior to providing access. If questions arise concerning redaction, the records custodian should coordinate with counsel or other appropriate parties regarding review and redaction of records. The records custodian may consult with the OORC or with the Office of Attorney General and Reporter.

2. Whenever a redacted record is provided, a records custodian should provide the requestor with the basis for redaction. The basis given for redaction shall be general in nature and not disclose confidential information.
