

PUBLIC RECORDS POLICY
FOR
The Lawrence County School System

Pursuant to Tenn. Code Ann. § 10-7-503(g), the following Public Records Policy for Lawrence County School System is hereby adopted by Lawrence County Board of Education to provide economical and efficient access to public records as provided under the Tennessee Public Records Act (“TPRA”) in Tenn. Code Ann. § 10-7-501, et seq.

The TPRA provides that all state, county and municipal records shall, at all times during business hours, which for public hospitals shall be during the business hours of their administrative offices, be open for personal inspection by any citizen of this state, and those in charge of the records shall not refuse such right of inspection to any citizen, unless otherwise provided by state law. See Tenn. Code Ann. § 10-7-503(a)(2)(A). Accordingly, the public records of the Lawrence County School System are presumed to be open for inspection unless otherwise provided by law.

Personnel of the Lawrence County School System shall timely and efficiently provide access and assistance to persons requesting to view or receive copies of public records. No provisions of this Policy shall be used to hinder access to open public records. However, the integrity and organization of public records, as well as the efficient and safe operation of the Lawrence County School System, shall be protected as provided by current law. Concerns about this Policy should be addressed to the Public Records Request Coordinator for the Lawrence County School System or to the Tennessee Office of Open Records Counsel (“OORC”).

This Policy is available for inspection and duplication in the office of the Chief Operations Officer. This Policy is posted online at www.lcss.us. This Policy shall be reviewed every two years.

B. Records Custodian

1. Upon receiving a public records request, a records custodian shall promptly make requested public records available in accordance with Tenn. Code Ann. § 10-7-503. If the records custodian is uncertain that an applicable exemption applies, the custodian may consult with the PRRC, counsel, or the OORC.
2. If not practicable to promptly provide requested records because additional time is necessary to determine whether the requested records exist; to search for, retrieve, or otherwise gain access to records; to determine whether the records are open; to redact records; or for other similar reasons, then a records custodian shall, within seven (7) business days from the records custodian's receipt of the request, send the requestor a completed Public Records Request Response Form which is attached as Form B, based on the form developed by the OORC.
3. If a records custodian denies a public record request, he or she shall deny the request in writing as provided in Section III.A.2.b using the Public Records Request Response Form.
4. If a records custodian reasonably determines production of records should be segmented because the records request is for a large volume of records, or additional time is necessary to prepare the records for access, the records custodian shall use the Public Records Request Response Form to notify the requestor that production of the records will be in segments and that a

records production schedule will be provided as expeditiously as practicable. If appropriate, the records custodian should contact the requestor to see if the request can be narrowed.

5. If a records custodian discovers records responsive to a records request were omitted, the records custodian should contact the requestor concerning the omission and produce the records as quickly as practicable.

C. Redaction

1. If a record contains confidential information or information that is not open for public inspection, the records custodian shall prepare a redacted copy prior to providing access. If questions arise concerning redaction, the records custodian should coordinate with counsel or other appropriate parties regarding review and redaction of records. The records custodian and the PRRC may also consult with the OORC or with the Office of Attorney General and Reporter.
2. Whenever a redacted record is provided, a records custodian should provide the requestor with the basis for redaction. The basis given for redaction shall be general in nature and not disclose confidential information.

IV. Inspection of Records

- A. There shall be no charge for inspection of open public records.
- B. The location for inspection of records within the offices of the Lawrence County School System should be determined by either the PRRC or the records custodian.
